

## About Maryann

Maryann is a highly regarded leader, clinician and coach with over 30 years of healthcare industry experience in both clinical and managerial roles.

## Professional Experience

Maryann has held a variety of roles ranging from clinical nurse, discharge coordinator, assistant director of nursing, director of nursing, director of clinical services and general manager, along with a range of project roles at both facility and state levels. Maryann has worked across clinical settings, including management roles in human resources, quality and safety, education, imaging services and major health planning and capital works. Throughout this time, Maryann has demonstrated strong leadership and operational skills, developing new and emerging managers to rise to any task. Often, Maryann has gone into facilities within the broader organisation to undertake targeted turnaround work. This expertise stems from her experience in state and national roles where she facilitated enterprise agreements on behalf of the organisations.
