

About Peta

Peta commenced with Studer Group Australasia in 2016 and is currently employed as the Finance and Administration Officer. Her role consists of all facets associated with the finances of the organisation. In addition, Peta also conducts a range of administrative functions including; managing publications and processing book orders, marketing functions and assisting with our conferences and events.

Peta has a background in sales and marketing in media and tourism, human resources and payroll.

In her role, Peta enjoys the opportunity to be able to approach any team member with ideas and solutions to increase productivity across the organisation. Peta enjoys the variety in her role and is keen to continue to utilise her background in marketing to support Studer Group to continue to highlight our achievements and increase our impact across the sector. Peta appreciates the balance between work and family life within an organisation who actively demonstrates that people and family matter.

One of Peta's great accomplishments was in 2015 when she completed the 96km Kokoda Challenge on the Gold Coast in 31 hours!
