What's Right in Health Care® Conference

5 - 7 September 2022

Two pre-conference sessions - Monday 5 September (1:00-5:00pm)

- **Fundamentals of Leadership still haven't changed! Nine Principles® and Evidence-Based LeadershipSM Overview** - Learn, review or refresh the core principles and frameworks that are the foundations to the Huron Studer Group's work with organisations.
- **Change Leadership and Management - Making Change Happen and Making it Stick!** - With the rapid pace of change across the industry, skills, knowledge and confidence to lead and manage change have become critical to driving a positive culture and performance.

Main conference - Tuesday 6 September & Wednesday 7 September

You will hear from our keynote speakers, leading partner organisations who will share their stories and outcomes, and our coaching team who work with organisations across Australasia. They will share their knowledge and highlight their experiences on how other organisations are achieving and sustaining results that outperform and outpace their peers.

Highlights include:

- **7 Keynote Speakers + breakout sessions from 11 organisations + “10 Minutes that Count”**
- **Networking reception with other passionate healthcare professionals**
- **20+ sessions with key topics:**
 - Delivering on our purpose when healthcare is changing
 - Nine Principles® driving the journey towards excellence
 - Driving engagement and culture
 - Importance of leadership development
 - Partnering with Consumers
 - Wellbeing and Engagement
 - When failure isn't an option
 - Panel discussion with Q&A with key leaders on their journey to success
