

Tackling the tough stuff -

How to have the difficult conversations

Virtual Workshop

Have you ever avoided a tough but necessary conversation with an employee, colleague or boss? Do you find giving feedback uncomfortable? Ever launched into a difficult conversation unprepared?

To truly drive lasting performance and culture change, leaders need the courage to engage their staff in what are sometimes difficult or uncomfortable discussions. This course is designed to help build your skills mastering tough conversations and navigate them confidently and effectively.

This practical, virtual workshop will support you as a leader to:

- Understand and prepare yourself to have “the” conversation
- Build your confidence and skills to tackle “the” conversation
- Use a framework to effectively provide feedback to drive performance
- Build accountability and engagement with your team

Sharpening Your Leadership Skills Workshops

Whether you are an emerging, new or experienced leader, our virtual workshops will equip you with the knowledge and practical tools to enhance your leadership capacity and capability.
