

Change Leadership

Guiding change and making it stick

Virtual Workshop

Have you tried to implement change but discovered not everyone is on board? Have you successfully implemented the change but failed to make it stick? Do you struggle to motivate and engage your team?

In today's rapidly evolving healthcare industry, the ability to lead and manage change with skill, knowledge, and confidence is essential for fostering a positive culture and driving performance. If you are a leader who is or will be managing change then this workshop is for you!

This practical, virtual workshop will support you as a leader to:

- Develop awareness of the success factors for organisational and individual change
- Explore change models and their impact on driving change
- Understand change resistance and how to minimise and manage it
- Build skills in leading and communicating change
- Use practical tools and templates to manage change

Sharpening Your Leadership Skills Workshops

Whether you are an emerging, new or experienced leader, our virtual workshops will equip you with the knowledge and practical tools to enhance your leadership capacity and capability.
